

Freedom of Information Act 2000 – Request Reference FoI/24/130
Prevention of Future Death Notices

Information Requested:

Please can you Confirm How many section 28 Prevention of Future death Notices your Health Board Received 1 April 23 -31 December 23. (or as records permit, the cut off date is simply to correspond with the reporting period indicated below so an reasonably adjacent cut off date would suffice)

To be used as a comparator so as per note from BCUHB January Board which appear to run at 2 per calendar month. If this is a regular report to Board on sec 28 notices (or Q&S Committee) and you held a January (or Feb) Board (or Q&S Committee) then that figure would be fine.

Response Details:

After considering your request, Cardiff and Vale University Health Board (the UHB) believes that section 21 of the Freedom of Information Act 2000 applies in this instance and is refusing your request.

Under section 21 of the Act, a public authority does not have to respond to a request if the information being sought is reasonably accessible to the applicant by other means. The UHB has applied this exemption to your request as the information you are seeking is available in the public domain. Under our section 16 obligation to advise and assist, I can confirm that the relevant information can be found at the following weblink: [Prevention of Future Death Reports](#).
