Response Details:

After considering your request, Cardiff and Vale University Health Board (the UHB) believes that section 21 of the Freedom of Information Act 2000 applies in this instance and is refusing your request.

Under section 21 of the Act, a public authority does not have to respond to a request if the information being sought is reasonably accessible to the applicant by other means. The UHB has applied this exemption to your request as the information you are seeking is available in the public domain.

Under our obligation to advise and assist per section 16 of the Act, I can confirm that the relevant information can be found using the following link: [Prevention of Future Death Reports](#).
