

Freedom of Information Act 2000 – Request Reference FoI/24/008

Scurvy and Rickets

Information Requested:

1. How many patients has your trust treated for scurvy in each of the years a) 2019, b) 2020, c) 2021, d) 2022, e) 2023
2. How many patients has your trust treated for rickets in each of the years a) 2019, b) 2020, c) 2021, d) 2022, e) 2023

Response Details:

Please note that the Information Department can identify when a patient has been coded with the above listed conditions, but it is unable to determine whether a patient is being treated specifically for one of the conditions.

1. It should be noted that, based on the codes supplied by the Coding Department, namely D532, no confirmed diagnosis of Scurvy could be identified.
2. Please see the below table for patients with a recorded diagnosis of Rickets based on the diagnosis code E54 in any position.

	2019	2020	2021	2022	2023
Rickets Patients	1,120	919	1,090	902	824
