

**Freedom of Information Act 2000 – Request Reference FoI/24/029**

**Stolen Items**

**Information Requested:**

*Original request:*

I am writing regarding items owned by the Health Board that have been reported as stolen, lost or damaged.

For each of the last five financial years I would like to receive the following:

- A list of items that have been reported as stolen, and their estimated value.
- A list of items that have been reported as lost/misplaced, and their estimated value.
- A list of items that have been reported as damaged, and their estimated value.

*New request:*

If it would help your reconsideration, I am content to just receive the following:

- A list of items that have been reported as stolen, and their estimated value, for each of the last five financial years (or less if the information is more retrievable in some years).

## Response Details:
