Community Pharmacy Closures

Information Requested:

I am writing to make a Freedom of Information request to ask for the information your Health Board has recorded in regards of community pharmacy closures. I am looking for information reported and recorded about all closures from Sunday 01st January 2023 to Sunday 31st December 2023 inclusive.

The precise information I am requesting is,

Contractor Code

Name, address, and postcode of pharmacy

Date of closure

The precise times of closure, and if more than one closure happens in one day, please report each closure as separate

Any reason given for the closure by the contractor, if none was recorded please answer n/a or none.

I am also looking for both types of closures, those which appear to have been unplanned, and those which were agreed in advance by your health board. If the closure was agreed to and planned in advance can you please state 'agreed' or 'planned' under 'reason for closure', if it was unplanned please give the reason if any stated by the contractor.
