System definitions:

Picture Archive and Communications System (PACs) – A picture archiving and communications system is used for diagnostic images.

Response Details:

After considering your request, Cardiff and Vale University Health Board (the UHB) believes that section 14 of the Freedom of Information Act 2000 applies in this instance and is refusing your request. The reason for relying on this exemption is set out below.

Under section 14 of the Act, a public authority does not have to respond to a request if the information being sought is repeated or vexatious. The UHB has applied this exemption to your request as the information you are seeking represents a repeated request and the UHB has previously complied with the same request for information – please see the UHB's issued response to request reference FoI.23.596.

Under our section 16 obligation to advise and assist, I can confirm that the UHB does not hold this information. Please refer to the following weblink which you might find of use: [Digital Health and Care Wales – Freedom of Information](#).
