

Freedom of Information Act 2000 – Request Reference FoI/24/454

Patient Hoists

Information Requested:

I am contacting you to try and get a rough % guide or numbers on the following, listed below.

I would like to know, roughly, how many Hospitals currently have installed Overhead Patient Hoists, otherwise known as Ceiling Track Hoists (CTH) and Portable Hoists (mobile).

Response Details:

Please see the below table for figures based on the last audit conducted in 2021.

Site	Number of ceiling track hoists	Number of Passive hoists	Number of active hoists
University Hospital of Wales	2	58	42
University Dental Hospital	1	2	0
Children's Hospital for Wales	7	6	1
University Hospital Llandough	31	55	47
Barry Hospital	1	6	3
St David's Hospital	2	12	7
Rookwood Hospital	0	2	1
Cardiff Royal Infirmary	0	1	0
Any other community sites including Medstrom	0	9	3
Total	44	151	104
