Hi [Redacted]

I have raised this again with our developer as a safeguard however, the users should not be using Face to Face as the Booking Type if the patient isn't required to attend. Please ensure the users select the correct one from the list, in this case they should be using 04 – (Virtual review no patient contact) as highlighted below.

Domain CONTACT TYPE

Type Text Max length for Value 2 Insert new recd

Start Date 18-MAR-2020 Max length for Meaning 50 Can update Me

End Date Meaning is MIXED CASE Can amend St:

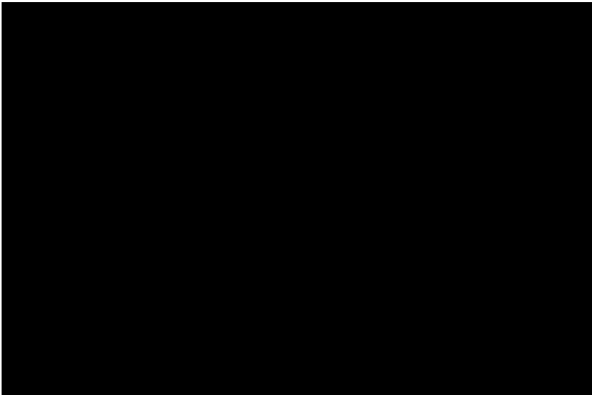

Remarks Patient Episode Contact Type

Reference Values

Value	Meaning	Start	
01	Face to Face	18-MAR-2020	
02	Virtual - Phone/Other	18-MAR-2020	
03	Virtual - Video	18-MAR-2020	
04	Virtual - Review (No Patient Contact)	18-MAR-2020	

Many thanks,

Regards,
