After considering your request, Cardiff and Vale University Health Board (the UHB) believes that section 14 of the Freedom of Information Act 2000 applies in this instance and is refusing your request. The reason for relying on this exemption is set out below.

Under section 14 of the Act, a public authority does not have to respond to a request if the information being sought is repeated or vexatious. The UHB has applied this exemption to your request as the

information you are seeking represents a repeated request and the UHB has previously complied with the same request for information.

In line with our section 16 obligation to advise and assist, I can refer you to the attached PDF containing the UHB's issued response to request reference 'Fol.24.365'.
