

Freedom of Information Act 2000 – Request Reference FoI/24/174
Energy Consumption

Information Requested:

[I]t would be extremely useful for u if you could provide data on the annual consumption of electricity and gas in hospitals in the CAV region. If you have daily metering data showing the shape of this demand profile, it would be useful also.

Response Details:

- Total estimated gas usage for 2022–23 is 127,920 MWh.
- Total estimated electricity usage for 2022–23 is 29,071 MWh.
