

Freedom of Information Act 2000 – Request Reference FoI/24/284

Diabetes

Information Requested:

The new Provider Selection Regime, that came into effect on 1st January 2024 provides a new set of rules that relevant authorities must follow when procuring certain healthcare services in England. We understand that your organisation comes within this remit.

Under the Freedom of Information Act we wish to have answers to the following questions:

[W]e wish to ask the following questions about your current SDE programmes and contract for people living with both Type 1 and Type 2 Diabetes.

1. Who is the lead / main contact for SDE commissioning for your organisation for Type 1 diabetes education? Please provide up to date contact information.
2. Who is the lead / main contact for SDE commissioning for your organisation for Type 2 diabetes education? Please provide up to date contact information.
3. Which organisations are you currently contracting with to provide SDE to patients in your area. Please list all and specify which services they provide.
4. If the local community team are delivering the SDE, please provide their contact information?
5. When are each of the above contracts due to expire?
6. When you seek to award a new contract for any of the above services, would you consider the existing provider to be the only capable provider? If yes, please detail why.
7. In light of the new PSR transparency and record keeping, please can you confirm what Key Performance Indicators you will be assessing service provision against, and please advise whether the current incumbent providers are meeting these KPIs in full. These criteria usually include quality, innovation, value, integration, collaboration, service sustainability, improvement of access, reduction of health inequalities, facilitating choice and social value.
8. If different to those named in 1 and 2 above, please confirm the name and contact details of the person who will be responsible for assessing whether any Direct Awards will be made upon contract expiry.

Response Details:

Cardiff and Vale University Health Board (the UHB) does not hold this information. Please note that the UHB is an organisation of NHS Wales. The SDE programme is only applicable to NHS England.
