Area Planning Boards

Information Requested:

Please could you each provide me with a list of all members of your respective Area Planning Boards, who is their employing organisation, what is their position title and their lines of accountability.

Please could you highlight in each case who is the clinical representative, representing the Health Board.

Response Details:

Please see the below table for the Area Planning Board (APB) membership, the members' respective organisations, names, and roles.

All representatives of the responsible authorities and key partner organisations are to share the responsibility for developing, delivering, and improving efficient and effective substance misuse services across Cardiff and the Vale of Glamorgan. All members of the APB agree to attending the meetings with the authority to make decisions on behalf of their respective organisations, and as such are accountable to the commitments made.
