

Freedom of Information Act 2000 – Request Reference FoI/24/357

EU Acute Coronary Syndrome Guidelines

Information Requested:

I do have one more request and that is for a copy of:

University Hospital of Wales EU Acute Coronary Syndrome (ACS) guidelines.

Also details on the revision history of this document which should be shown in document quality control system that should show a history of updates and review dates.

Response Details:

Please see the attached PDF. There have been no revisions.
