Good morning,

Apologies if this is not the correct email address – I suspect it is not the correct address. If there is a preferred email address for this type of query I would appreciate a nudge in the correct direction.

I have been asked to do a bit of digging around the possibility of a UHB boycott of the All Natation's Centre. I have been privy to an email from a Trade Union Convenor asking if we are planning a boycott. I will copy the email below.

The South East locality have a large event planned in the centre on the 24th April and are understandably wondering if they are now able to go ahead or if they need to find another venue.
Do you know if there is a PCIC wide position on this ?

Alternatively if this is the first you have heard of this, do you know how we get it discussed and decided ASAP?

Subject: BOYCOTT ALL NATIONS CENTRE

Morning all,

Our LGBT+ members raised major concerns about the HB holding events at the All Nations Centre given it took part in an open letter with (20 others institutions)condemning the ban on conversion therapy.

Conversion therapy ban moves forward in Wales | GOV.WALES

Our LGBT+ members brought this to our attention and requested our support to boycott any events or training being held at this venue. After a Staff Side discussion, I wrote to the HB's Equity, Diversity and Inclusion lead [REDACTED] on behalf of Staff Side, and this was his reply.

"We have taken the decision not to host our autumn equity and inclusion event there and are currently seeking alternate venues. I think further organisational discussion is required about our position"

I am awaiting a further update. In the meantime, ***we stand in solidarity with our LGBT+ members and will not attend events or training being held at this venue.***

Thank you for your continuing support.

Kind regards
