I don't think we can raise an objection to those documents being released then. And I assume that as there is an action in them saying CAV is looking into it that we will receive one too.

Thanks Matt

Yes, that's the gist of it. Redactions done, there is still the possibility of identifying who people are via their job titles, but anything recorded in emails is potentially FOI-able, so I am not too concerned.

Thank for taking time to have a read through.

David,

I think some of the documents don't paint some organisations in a great light as I'm seeing a lot of references to not using the ANC but not much clarity on the evidence that is being relied upon.

But what's the ask – I assume the FOI only relates to documents PHW hold (rather than it being extended to us), and so they are checking we are ok with the redactions where CAV is mentioned?

Matt

Dear David,

Please find attached the PDFs that PHW have shared with us for this FOI on the All Nations Centre.

I've just sent them an email asking that they redact the job titles of C&V staff in the PDF titled 'ANC 15' and the entire email signature of another individual from C&V in 'ANC 11'.

We are relying on section 40(2) of the FOI Act 2000 due to the risk of reidentification from the personal information involved.

Kind regards,
