Hi Rachel,

Sarah's email for info. I'll drop Gareth a line but I'm guessing no update means there's no update.

Hi [REDACTED]

Just letting you know that I did raise this at WOD Directors last Friday.

I don't think we're going to get to a national position on this – individual organisations are taking action instead.

Velindre has made the formal decision this week to stop using the venue. We know that HEIW have also stopped.

Gareth is still looking at the legal aspects.

Thanks

Sarah
