That's brilliant, we can't use the All-Nations centre now, as its owned by a church that have dubious ideas about conversion therapy for LGBTQ+ individuals.

As soon as we get agreement from the GRDNN, [REDACTED] and I can focus on searching out a venue (I hope that's OK, [REDACTED]?).

Did the company give you an idea about a budget?

Thank you

Afternoon both,

So I totally got my dates wrong and the GNNRD meeting is next week not today.

BUT ... I have had someone offer to pay for the venue for us if we can find one and get it through before the end of the financial year ... so 1 month! Ambitious but ?possible
