Hi I don't think we have anything booked but please could you ensure that we don't consider this as a venue in anything further that we plan. Thanks, [REDACTED]

Hi all

National Trade Union reps have asked us to stop using the All Nations Centre due to the Centre's stance on conversion therapy and a recent letter they signed and sent (with others) to the WG objecting to the WG's plan to ban CT in Wales. The LGBTQ+ network in C&VUHB have been making strong representations also.

We have alerted TUS that we may need to continue to use it short term as we undertake a lot of engagement and there may be pre-booked events that would incur cost, but that we would plan to stop using them going forward. The Execs are in support of that approach.

I'd be grateful if you could communicate this with relevant key staff and review any bookings already made to see if they can be cancelled without cost. We are not planning on any communication with the Centre.

Thanks in anticipation

Kind regards Cofion cynnes
