2.00pm	Emergency Radiology Department	IMPAX Training Walk-In Sessions
2.00pm	Suite 8, UHW	Ophthalmology Regional Teaching

The Library Page

Training opportunities

This month we have details of forthcoming training: please get in touch for more details or to book your place

UpToDate®

A professional trainer from UpToDate, Tuomas Laaksolinna, will be running half-hour slots at UHW on **25th and 26th October**. More details to follow—please save the dates!

We hope to arrange visits to departments for speciality training on UpToDate, and we may also be able to visit other hospital sites. If you would like a session for your department, please contact Rosemary.

UpToDate is a point-of-care tool which summarises the evidence on a condition, and gives links to other sources of information. If you have never used it, or want to know how to get the most from it, please come along to a training session.

ClinicalKey®

We also offer training on Clinical Key for departments. These will be tailored to demonstrate topics relevant to your work. Clinical Key offers a broader range of information than UpToDate, and it includes 600 Elsevier e-journals and 1100 Elsevier e-books. To book a session, please contact Rosemary.

You can find UpToDate and Clinical Key at work on the Clinical Portal, or at home with an Athens account.

Health Library training

If you have a Cardiff University network account, you can book for a session held in the Health Library, UHW. Log in to the University intranet and go to:
<https://intranet.cardiff.ac.uk/students/events/browse-by-series/library-skills-training>
to see what's available.

If you need help or advice, please contact:

Rosemary Soper, Cardiff & Vale UHB Librarian.

soper@cardiff.ac.uk 02920 715497
