6.	<b>Stakeholders</b> - Who is involved with or affected by this Policy?	<p>This Policy applies to all healthcare providers, including those on honorary contracts, working at all locations in the Cardiff and Vale UHB. This also applies to academics and healthcare support workers. In this Policy, all staff groups will be referred to as healthcare providers. This Policy also applies to patients and carers.</p> <p>The principles of the Policy apply to patients, carers and healthcare providers.</p>

**Step 1 - Preparation**

7. **What factors may contribute to the outcomes of the Policy? What factors may detract from the outcomes?** These could be internal or external factors.

The policy will be available on the UHB intranet site.

Healthcare providers will be made aware of the Policy, their role and responsibilities at local induction.

Awareness of patients and carers will be raised through posters displayed across the UHB. Full copies will be made available on request and made available in different languages and format.

The right to request a chaperone and to make one available is not a new concept, but raising awareness may impact on the number of requests made.
