Covid-19 Deaths

Request details

I would like to know the exact number of deaths solely as a result of Covid -19/SARS Cov-2? Not people with underlying conditions or people that died within 28 days of testing positive but the actual number of direct deaths resulting solely from Covid-19/SARS Cov-2. Not people that died 'with' or 'involving' Covid, only people that died because of Covid directly and nothing else at all.

Response details

Death Type	Deaths
Covid Deaths	18

COVID19 is coded in the Death Cause Diagnosis 01 Code field. No other Diagnosis Codes are recorded in fields 2-8 of the ONS Data.
