

**Freedom of Information Act 2000 - Request Reference FoI/21/037**  
**Stonewall**

**Request Details**

Under Freedom of Information please provide documents showing the advice given by Stonewall to the Welsh NHS / Welsh Gender Team in relation to the shape of the new Gender Identity Service in Wales, launched in 2019, including the final policy created. This should include, but not be limited to, formal submissions, correspondence, feedback from Stonewall on drafts of policy documents and minutes of meetings.

**Response details**

Cardiff and Vale University Health Board can confirm that Stonewall had no input into the initial Welsh Gender Service business plan and the recently submitted business case had no input from Stonewall either.
