

## **Freedom of Information Act 2000 - Request Reference Fol/21/102**

### **SSRIs**

#### **Request Details**

Can you please let me have information regarding reports of adverse effects to SSRIs including suicides during last 2 years.

#### **Response Details**

After considering your request, Cardiff and Vale University Health Board (the UHB) believes that Section 21 of the Freedom of Information Act 2000 applies in this instance and is refusing your request. The reason for relying on this exemption is set out below.

Under Section 21 of the Act, an organisation does not have to respond to a request if the information being sought is reasonably accessible to the applicant by other means. The UHB has applied this exemption to your request as the information you are seeking is available in the public domain. Under our Section 16 obligation to advise and assist, I can confirm that the relevant data can be found by clicking on the following link;

<https://yellowcard.mhra.gov.uk/idap>

The UHB would also like to advise you that it is not the Data Controller for yellow card data and that, should you wish to obtain additional information, this may be available by contacting the MHRA (Medicines and Healthcare products Regulatory Agency).
