Statement on HIW Report of a review in respect of Mr K

Adam Cairns, Chief Executive at Cardiff and Vale University Health Board, said: "We send our deepest sympathies to the family and accept all of the recommendations of the report.

"We understand this is an incredibly difficult day for the families involved in this very sad incident.

"We thank HIW for their report and we commit to working with our local government colleagues and MIND Cymru with whom we will be addressing the issues raised."
