# ABOUT TOWER

Zip World Tower is a unique adventure destination based on the former coal mining site, Tower Colliery, Aberdare, South Wales. With many of the mining structures still standing proud to this day, including the iconic Tower itself, our site is an interesting blend of history and exhilaration.

Home to the world's fastest seated zip line, Phoenix, Europe's first 2-seater coaster of its kind, Tower Coaster, a mini zipping experience, Tower Flyer and the UK's largest adventure course of its kind, Tower Climber, you're bound to find something that suits you for a great day out. With a modern yet rustic bar and bistro, Cegin Glo, also at your fingertips, plus the benefit of those stunning views, this is THE spot for adventure all-year round.
